

SNO JETS VISITORS/GUESTS POLICY
Revised November 2011

The Sno Jets Ski Club is a member-supported organization that cannot exist without membership dues. Participating in Club events without paying the membership dues increases the costs for everyone else.

New visitors or guests are welcome to attend Sno Jets events. Non-members who attend paid events, including trips, will be charged an additional fee.

New visitors or guests, who are checking out the club, may attend up to two (2) Sno Jets functions (which includes weekly meetings), prior to joining the Club. Any visitor or guest who has attended this number of events, including spouses and partners of paid members, will be required to join the Club before participating in any further functions.

Former members of the Sno Jets Ski Club are already familiar with all of the benefits membership affords, and must join the Club before taking part in any Club activity.

We welcome everyone's membership and enthusiastically encourage you to join!
